Summary: Concha 31611 is a two bedroom two bathroom unit located at the Resorts World Bimini Casino & Marina, North Bimini, Bahamas. This unit sits on the ground floor of a concha style complex which consists of 4 units. This unit consists of a full kitchen equipped with dish washer and garbage disposal, counters are filled with glass dishes and a full silverware collection, dining area and a living room area that has a double sliding door exit leading to the rear terrace of the unit which has a view of the ocean.

The master bedroom has a King size bed with an on suite bathroom of a standup shower, toilet and sink and the extension of the terrace from the living room rear exit. The second bedroom has two double sized beds and the bathroom is next to the second bedroom which has a full bath with a bathtub, sink and toilet. All bedrooms have one walk in closet and there is also an owner's closet located next to the front entrance of the unit.

The flooring of the unit is tiled, fully functional central air conditioning and maintenance or service of any kind needed is just one phone call to the resorts operator.
