Summary: Accessed from Chapel Street or Dunmore Lane, as one enters this expansive property they are transformed to another place, overwhelmed by the grandeur and topography of the property, its large mature tropical & hardwood trees, the serenity and privacy of the scenic property - that is nestled in nicely behind Coral Sands & The Dunmore Resorts (to the east) and Dunmore Town to the west. King's Country Estate boasts a private 15ft wide (deeded) beach path that connects the estate homes to the Pink Sands beach via an easy 5-minute walk. The property offers 3 homes, 2 of which are 3 bedroom, 2.5 bath Georgian-style 2-storey (mason) homes, plus a 2/2 guest cottage with roof top deck offering ocean views. The property is the ideal offering for someone looking for acreage, perfect location and the ability to re-style the existing homes and possibly build a couple more homes with common area shared pool.
