Summary: Rarely are Private Islands offered for sale in The Bahamas, given its proximity and easy access from the US mainland. Most are kept within the family or privately traded. We are proud to offer not just one- but a grouping of select islands that assure privacy and ease of ownership - with new construction and infrastructure already in place - at the northern tip of the Abaco Islands. Big Grand Cay Archipelago offers astute Buyers and investors an intriguing, once in a lifetime opportunity. Chris Cline acquired the estate in 2015 and transformed the private island collection into a luxurious resort. The estate includes Big Grand Cay, Bakers Cay, Sandy Cay, Mermaid Cay, Seahorse Cay, Spongers Cay, Felix Cay, an unnamed cay and three small rocks totally +/- 277 acres. Big Grand Cay features two striking main residences and eight beautifully appointed cottages, all located on the beach or waterfront. An Asian-themed Great House is the Island's central focal point and provides stunning views across the pool, marina, and archipelago estate.
