Summary: Bimini is known as the "Gateway to the Bahamas," and it is only 48 nautical miles from the Florida coast. It is widely regarded as one of the world's top big game fishing destinations, as well as a popular diving destination for wrecks, walls, and the famous continental shelf drift dive.

Bliss on the Bay is a private residence that has stunning views of the crystal-clear turquoise water directly behind it, as well as a beautiful sunset to end each day. This spacious four-bedroom, three-bathroom air-conditioned home is located on the bayfront in the private, gated community of Bimini Bay Resort & Marina. Bimini Bay is in a very private, gated community and is ideal for a family or a larger group, with 2580 square feet of air-conditioned space. This home's design truly maximizes the views of the breathtaking sunsets.

Ideal for a family or a larger group in need of extra space. The doors open to the outdoor tropical breeze and wrap around a furnished, 1200 square foot open-air/covered terrace. The master suite features a king bed, a master bath (with shower and
