Summary: A Nature lovers dream! Located in the Twin Hills area of Great Cistern, Hidden House is a two bedroom, one and a half bath gem. It gets its namesake as it is barely visible from the road as it sits nestled in the trees, high in the hills. This unique multi-level home has bedrooms on the ground floor, ship stairs spiral to main living areas on 2nd level, a reading nook on the stairway up to a 3rd level cupola room, great for office or small third bedroom. Enjoy the Sea of Abaco vistas from your covered veranda. Need a closer view? Deeded access in walking distance to three waterfront areas, two lovely coral sand beaches and one boat basin launching area with a ramp that is great for small boats and kayaks. Venture the shoreline and explore the adjacent creeks or mini outlaying cays great for a swim, snorkel or even catching dinner. Bonefish teem in the creeks nearby perfect for some fun catch and release. Great Cistern is a laid back nature loving community that seems like itâ€™s a lifetime away, yet less than 15 minutes from Marsh Harbourâ€™s International Airport, port and ferry docks.
