Summary: "Villa La Isla" is a 2-bedroom 3-bathroom Millenium II model condo that consists of 1,766 sq ft. This unit allows for accessibility to the beach and a short walk to the Resorts World Casino. The floor plan of this unit allows for a living room, dining room, full kitchen with granite countertops and full bathroom all to be located on the first floor. Villa La Isla includes contemporary plush neutral earth toned furniture with two seating areas that are perfect for entertaining guests with a wine bar and mini refrigerator. The stainless-steel kitchen appliances include a microwave, oven, and a coffee maker. A laundry room that is fitted with a stacked washer and dryer.

Leading up to the second floor there is a dining room table that seats 8, which is ideal for large families and comradery. The modern wooden staircase ascending to the second floor gives access to the master bedroom and bathroom with a double sink and a private uncovered patio. Included on the second floor is an additional bedroom with a full bathroom on this floor as well.

Located in the second phase of the Bimini Bay community, minutes away from the community infinity pool, and the Resorts
