Summary: Sunset Odyssey is in the private, gated, community of Bimini Bay Resort & Marina. This spacious 3 bedroom/2 bath Lucayan model home is situated on the ocean. It is perfectly suited for a family or a larger group encompassing 1,758 square feet of air-conditioned space. The design of this home truly maximizes your ocean view in every direction, but especially the breathtaking sunsets. Perfect for a family or a larger group looking for additional space. Sunset Odyssey is designed for seamless indoor/outdoor living, allowing an opening to the outdoor tropical breeze and wraps around a furnished outdoor patio.

The main living area with high ceiling is centered in the home, separate dining area, with dining table & seats 10 people, a fully equipped kitchen including granite counter tops, stove, refrigerator, microwave, and dishwasher. Other amenities include a coffee maker, stackable washer & dryer, and cable television in every bedroom. The master suite is furnished with a king bed, master bath (with shower and tub) & ocean view, with terrace access. 2nd bedroom furnished with a queen bed & ocean view with terrace access, and 3rd bedroom furnished with a queen bed. Enjoy all the amenities this property has to offer like the casino nightlife, great food and dining, and world-class ...
