Summary: The community of Dundas Town in Central Abaco remains a top destination for locals getting into the real estate market, as well as investors from elsewhere in the Bahamas. This 19,000 square foot lot has been cleared, graded and remains ready for a fresh project, is a rare find and value. The oversized lot provides a chance for a range of development in a part of town that is surrounded by schools, connected to Forrest Drive and just minutes from downtown Marsh Harbour.
