Summary: Stella Views, the name of the villa simply best represents the true visual outlook. The property is very close to Stella Maris Resort and Stella Maris airport. The property has recently been built to very modern and high standards. The expansive ground floor has two ensuite bedrooms, one outdoor shower with an Atlantic view. A small bedroom and washroom. The ground floor there is a wide and long corridor, small storage room and a small cloak closet The spiral staircase leads to the first floor and a very large lounge, dining and kitchen area, and utility room. There are two further bedrooms with a shared bathroom. The lounge opens out to a wonderful terrace area, private pool (not heated but solar blanket is used at times) gym, and separate toilet and changing room. The spiral staircase continues to a small office and large roof terrace and the wonderful lookout turret where the "wow" word has been mentioned so many times. Additional is a concrete platform intended for solar panels, a 20,000 gallon water storage tank and an external storage room,
