Summary: This beautifully decorated, fully furnished condo in Bimini Bay is only steps away from the powdered sand beaches and crystal clear, turquoise waters of the Atlantic. Every room has a gorgeous view of the ocean. Enjoy early mornings and evenings on the large, covered patio with an overhead, lighted ceiling fan. Prepare your meals in the full kitchen which has full size appliances and a dishwasher. The large, open floor plan includes new furnishings with a queen size pull out sofa, one queen size murphy bed, and a king size bed in the private bedroom. The large bathroom has a newly constructed tile shower fit for a King (and/or Queen) with massage jets, a rain shower head, and hand held sprayer. If you find yourself getting tired of the beaches and five swimming pools, there are 50" flat screen televisions for your enjoyment.

Bimini offers a true island life experience, with miles of sand beaches. Everywhere you go on this 7 mile long island, you will find yourself wanting to jump in the ocean. Of course there is plenty to do including snorkeling, diving, pier fishing, swimming with sharks/dolphins/sting rays, fishing charters, snuba, riding jet skis, boating, paddle boarding, kayaking, beach volleyball, shelling, and much more. If you decide not to cook, there are several ...
