Summary: Mary's Mark at Island's End is a spectacular luxury home with a prominent oceanfront location at Ocean Club Estates on Paradise Island. Only minutes from one of Nassau's most beautiful beaches. Reminiscent of a distinguished plantation home, the recently renovated main house offers 7,500 sq. ft. of living space including 6 bedrooms (all en-suite) and 7 bathrooms with superb craftsmanship, stunning architectural details and refined amenities including stunning 12 ft. high tray ceilings. The Home is sited on a protected canal with unsurpassed ocean views and 120 feet of water frontage. Interiors open to deep porches and expansive outdoor lounging areas that total over 4,500 sq. ft. and lead out to the rich foliage and swaying palms that enclose the infinity pool and spa overlooking the water and the custom-built teak dock that comes complete with a 24,000-pound boat lift and will also accommodate a 115' yacht right at your doorstep. The two detached guesthouses are both fully equipped with one bedroom, luxury amenities and private kitchens.
