Location: Long Island

Amenities: Waterview.

Summary: This property offers great elevation and ocean views of the Atlantic side of the island. The lot is located in Stella Maris where one has the Stella Maris Resort and Stella Maris Marina. Enjoy relaxing on the beach or the pool by the Moonshine Restaurant, overlooking the crystal clear waters and white sandy beach. The lot has a partial wall/fireplace on it from a previous structure. There is also a septic and water cistern in place that has been there for many years. There are many natural palms and trees on the property. This is a great location to build your home in paradise!
