Location: Port New Providence, Nassau

Amenities: Beach, Pool, Private Community, Sea View, Security Gate, Tennis Court, Waterview.

Summary: Located in the desirable community of Seapointe, Port New Providence, this 2,900 sq. ft. end-unit townhouse is immaculate and beautifully decorated. It features a spacious floor plan and is spread out between three levels. The living room, dining room, tv room, kitchen and guest bathroom is located on the ground floor. The second level has 2 en-suite bedrooms. The master suite has a private balcony perfect for relaxing and enjoying the ocean views. The third level has lots of natural light and gorgeous views of the ocean. It has a large bedroom, full bathroom and large walk in closet. Additional features include, a private patio, central air-conditioning, backup generator, swimming pool, beach access and two parking spaces. Port New Providence features 24-hour security, three tennis courts, a clubhouse, and an expansive children's playground.
