Summary: Always Summer is an immaculate nautical rustic home that sits at the top of a hill on a quiet no thru road between 11th and 12th street. Its island decor is a wonderful reminder that the 2-mile-long, white powdered sand beach is only a 5-minute walk away. The fenced in yard offers lots of space for gardening or play and the outdoor shower provides a place to rinse off after a day of fun in the sun. The detached golf cart garage also has room for additional storage for hurricane shutters and more.

Located mid-town, Always Summer is just steps away from grocery stores, shopping, restaurants and boating. With a booming rental market, this would also make a great investment property. Turn-key, move-in ready, with a golf cart included, this home is just what you have been looking for!
