Additionally, there is a quaint church built of native coral stone and a private lake with flamingos. The self-sustained 93-acre private island includes a sea-view infinity pool, tennis court, yoga deck and gym with excellent waters for snorkeling, sailing and fishing. Also included is its own private 2,000 ft. paved landing strip, easily accessible by plane from Miami, Florida or Nassau. Completely self-sufficient, it has a deep-water marina and sandy beaches. The Island is easily accessible by boat, airplane, or seaplane. Bahamas custom clearance is on Chub Cay, a five-minute flight from Little Whale Cay's private landing strip or a short boat ride.
