Summary: Set on 29-acres of pristine Atlantic oceanfront and Bimini bayfront property, illa Bimini Resort & Residences offers an entirely new vision of The Bahamas. It is the crystal-clear waters you expect plus a level of tranquility beyond imagination. It is fingertip-close access to wild dolphins and colorful coral reefs brought together with contemporary tropical architecture. It is where authenticity meets pure pleasure.

Illa's Residential villas frame the surrounding natural beauty, heightening enjoyment of every moment spent in this magical environment. Their sophistication lies in simple, yet profoundly thoughtful details. Windows with inspired views. Decks oriented to catch sweet sea breezes. Materials as soft to the touch as they are gentle to the eyes. With 5 illa models to choose from and a selection of upgrades including a private pool, firepit, outdoor living room, kitchen, firepit, outdoor tub, shower and cabana and a variety of interior design and furniture packages to choose from, owners may curate their property's upgrades to suit their individual needs.
