Summary: Within the picturesque Resorts World Bimini lies a world-class, family-oriented community called Bimini Bay. "Aqua Vista" in Bimini Bay is surrounded by an authentic aura of escape from everyday life. This home is positioned alongside a winding waterway neighboring the luxurious Hilton at Resorts World and provides 76 feet of canal frontage in a secure gated community.

"Aqua Vista" is a 5-bedroom, 4.5-bathroom, 4252 sq. ft. home with modern finishes and updated appliances. The grand entrance and open floor plan flows from the living room and dining room to the kitchen creating the perfect entertainment space for friends and family. Each room creates a Zen-filled vibe leading to the rhythms of the water. The home has exterior white columns with a grey scheme coloring befitting of a calming island setting. White trimming around the hurricane impact windows provide the perfect natural lighting within this beautiful home. The expansive veranda completes the image of the quintessential island vacation home. Journey outback for an evening and watch the glowing moon dancing over the waters of Bimini. Stone pavers lead to the canal where your private boat awaits you.
