Summary: Bimini is perfect for fishing and delicious native dishes, the laying low lifestyle, and known forever friendly locals and neighbours. Ownership in Bimini Bay isn't just purchasing a home it's joining a family. 310 has recently been updated with modern furnishings inspired by the sun, sand and sea that surround it. Featuring 4 bedrooms, 3 bathrooms and a large spacious open floor plan, with abundant natural light throughout, an open living area and a large gourmet chef's kitchen. The expansive veranda makes outdoor dining and entertainment easy. The home is fully furnished.
