If you are seeking a primary property, a holiday home, or a profitable investment, North and South Bimini provide possibilities for you. Bimini has it all, from the quirky island getaways to the more sophisticated exciting communal villas. Bimini Cove is a short golf cart ride from the South Bimini International Airport and the ferry dock between North and South Bimini.

This two-bedroom, three-bathroom model also has a loft, which adds extra space above the main living area that can be used in a variety of ways. The open floor layout provides for a free flow of natural light in the living/kitchen space. The eating room accommodates 6 individuals and has additional counter space for your family's enjoyment. The covered deck expands the living area and is ideal for entertaining or relaxing after a day on the water. The apartment is approximately 1600sqft with earthy tones that suit the organic beachy atmosphere of the Bimini Cove development.
