\$1,700

Location: Coral Harbour, Nassau / New Providence

Amenities: Hurricane Impact Windows.

Summary: The quiet corner of Kent Drive in Coral Harbour is one of Western New Providence's finest. This newly built one bedroom, one bathroom unit is well appointed with brand new stainless steel appliances, spacious everything including walk in closets, large bathrooms and all the right touches. A landscaped yard, private gate and parking add even more value but the real value driver is electricity and water are all included in the monthly rental price.

Schedule a viewing ASAP!
