Summary: Sea Dream House is a newly built house, of over 4,000 sq. ft. with 5 spacious bedrooms, ideal for family and friends get-togethers. Situated on the edge of Dunmore Town with a view of incredible sunsets from the large deck. Just minutes from the harbour and ocean beach and easy walking distance to the town. While not 'on the water', the home is ideally located to suit those who want a true island home in the #1 rated island (2005) in the Caribbean by Travel and Leisure Magazine. With a large common living/kitchen area for get-together meals and fun, it also offers privacy for those quiet times you long for on vacation. the property has hosted international guests for gatherings and wedding guests who want to share their island vacation as well as many families who want to vacation in the Bahamas. With a large full gourmet kitchen, you can cook yourself or hire a local cook for stay-in meals.

The 2 wrap around balconies offer stunning beautiful views of the sunset, the quaint island town of Dunmore and you can even see over to the beach side. Always offering a gentle breeze and a place from which to read a book, have a cocktail or just watch the world go by. We are very flexible on arrival and departure days and will do our best to set you up with the kind of special holiday the ...
